Network: Vodafone Orange

Package name: _____

Number of connections required: _____

Mobile number	PAC code	Handset(s) needed	Bolt on requirements
			100 Texts <input type="checkbox"/>
			3000 Texts <input type="checkbox"/>
			500MB Smartphone <input type="checkbox"/>
			BlackBerry® <input type="checkbox"/>

When this order form is processed you will receive an airtime contract, your selected handsets will be despatched by courier 48 hours after you return a signed copy of the contract.

It is vital you ensure any existing contract is completed before you move to the Mole Valley Plus contract, as you are likely to be subject to termination fees if you move away from your existing contract before it is completed. Mole Valley Farmers Limited accepts no responsibility for any charges incurred from your old contract.

Moving from another provider onto Mole Valley Plus contract requires a PAC Code for each mobile number you want to bring over. You can obtain this from your current provider.

New sim cards are sent out with a transit bar applied. To make the new numbers live you will need to call Mole Valley Plus on 0844 384 3023 with the new mobile numbers and the sim card numbers.

Any smartphone ordered will have the relevant data tariff applied (please refer to the promotional material or contract for details). All standard phones will have a GPRS bar by default.
