When this order form is processed you will receive an airtime contract. Your selected handsets will be despatched by courier 48 hours after you return a signed copy of the contract.

New sim cards are sent out with a transit bar applied. To make the new numbers live you will need to call Mole Valley Plus on 0844 384 3023 with the new mobile numbers and the sim card numbers.

Any smartphone ordered will have the relevant data tariff applied (please refer to the promotional material or contract for details). All standard phones will have a GPRS bar by default.
