Auctioneers Comments:

Although we had 100 stock prior entered the weather made it impossible for a lot to attend the market, which applied especially to the away buyers. Averages today pretty meaningless due to the small number forward, however can be summed up as a decent trade in the circumstances. *Market on the 3rd January will be a good market to consign your stock as buyers will be out in full force to get their plants fully operational after the holiday break. Please ring for marketing advice.*

PLEASE NOTE: From 2010 all slaughter cattle will need to be entered with a Food Chain Information Form, which will be part of our entry form.

Would vendors please make every effort to fully complete the new calf entry form RE: Veterinary Treatment.
