Another good Summer entry of 151 barren cattle, even when many were taking advantage of the good weather, when numbers were again up on the corresponding week last year. Trade remains firm. Sucklers at previous levels to 149.5ppk for a smart Charolais from Mr A Burland. Another good Charolais from Messrs TV & E Wotton rose to 147ppk. Native cows topped at 146.5ppk for a Hereford from Mr AR Flinders. Better sucklers generally 130ppk plus. Good meat cows 120ppk plus. Meat cows 115ppk plus. Others at lower levels depending how lean, full or small. Sucklers sold to £1,054.65 for a strong 790kg Angus from Messrs PRS & EB Scott. Best sucklers £900 plus.

Black and whites still a good trade although quality much reduced. 65% of the entry were grades 3 and 4 but well sold on the trade. Top price went to Mr RC & VM Tilley at 133.5ppk for an MRI. A superb 904kg best meat HF from Messrs FG Jeanes & Sons Ltd hit 130ppk. Better cows generally high 120's. Good cows 120ppk plus. Half meat steakers 115ppk to 119ppk. Plain steakers 108ppk to 115ppk. Plain cows to 105ppk depending on frame and gut fill. Mostly 85ppk to 95ppk. One or two exceptionally plain types in the 70's or high 60's. Again some of the plainest looked the best sold. Black and whites sold to £1,175.20 from Messrs FG Jeanes & Sons Ltd. Many best meat cows £900 plus. All cows, including Dexters and Galloways averaged £675. This compares with £520 this time last year. Numbers are still generally tight and as we are £155 ahead of last year, the advice has to be to keep selling.

TB Restricted Farms

Please note if your farm is unfortunately restricted with TB and you are unable to bring your stock to our regular markets, please note we can help with finished cattle, barren cows, store cattle, dairy cattle and stirks to secure buyers.

Sale of prime cattle and barren cows can either be arranged direct off farm or via a collection in the market on a deadweight basis. Dairy cattle, store cattle and stirks may be sold by private treaty on farm. If at any time sufficient numbers and type of stock, ie dairy cattle or 2 year old store cattle become available, the market is now licensed to hold dedicated sales of TB restricted stock, when stock will be sold by auction.

Please contact Robert Venner on 07889 006503 or 01278 410278, Adam Hayes on 07889 064309 or 01278 410278 or Derek Biss on 07850 932555 or 01278 410250, who will endeavour to be of assistance.

All cattle born on or after 15th April 1998 require two tags.

Somerset Trading Standards require any such cattle presented at market with less than two tags to be returned home under licence. Please ensure all cattle born on or after 15th April 1998 have a tag in each ear before leaving home. If a tag is lost in transit, please present tag to STS Animal Health representative for onward licence and sale.

If you are unable to replace a missing tag due to ill health or health and safety issues and would like to use market facilities, please write to Somerset Trading Standards Service, Animal Health and Welfare, Chelston, Wellington, Somerset, TA21 9HP, fax : 01823 664199 or email: ahw@somerset.gov.uk to request permission.
