Ring Worm

Please note, cattle with ring worm are not allowed to be accepted at market. Over recent weeks Somerset Trading Standards have had to send home stirks with ring worm. Please do not bring cattle with ring worm to market. This spring has been particularly bad for ring worm. Please do not land yourself in trouble by bringing cattle with ring worm to market. Any former ring worm must be healed over i.e. not scaly or flaky and with hair grown back.

“Greenslade Taylor Hunt Backs The Young Farmers”

Greenslade Taylor Hunt has renewed its sponsorship of one of the two awards in the annual Western Daily Press Young Farmer competitions.

Greenslade Taylor Hunt will be offering the £200 prize to accompany the Silver Sickle Award, presented to the South West Young Farmer who has made the most outstanding contribution to the movement in the last year.

Last year's winner was Louise Trim, from Dorset, who had voluntarily kept the county federation running in the face of a sudden staffing crisis. Now the hunt is on for a worthy successor. Anyone can make a nomination – and you can even nominate yourself if you wish.

There is a separate competition for the Young Farmers Club which has done the most both to raise funds for good causes and to raise the profile of the movement over the last 12 months. The winning club will receive £400 and the Silver Pitchfork Award.

The trophy is currently held by Westbury-on-Severn YFC from Gloucestershire.

Prizes will be presented at the Bath & West Show.

For an entry form please contact Rebecca Hurd on 01278 410278

2010 Sheep Tagging

Sheep born or identified after 31st December 2009 must be identified electronically, except those intended for slaughter within 12 months of age.

However as Auctioneers, Greenslade Taylor Hunt strongly recommend that sheep intended for slaughter within 12 months of age are identified with a **single electronic slaughter tag**, which just displays the flock number.

By tagging your lambs in this way will ensure maximum buyer options and will not limit the marketing opportunities for your stock in anyway. Many finishers will be deterred from buying lambs with only manual tags. This applies equally to finished lambs and stores.

Please do not be pennywise and pound foolish, as pennies saved on a manual slaughter tag might result in pounds lost on the sale of your lambs.

Existing manual tags will not be allowed to be used in 2010. When ordering new tags for 2010, please ensure you order a supply of **electronic slaughter tags** for your lambs intended for sale as stores or finished.

Market Cleaning Supervisor

Cleaning Supervisor required for busy livestock market. You will be a responsible person, in charge of the cleaning of livestock pens and associated works. Must be able to organise cleaning staff, with hands on ability and able to work under pressure. This job will require flexible working hours and tractor/forklift driving experience a bonus.

Pay based on experience.

Interested parties should contact Junction 24 Ltd on 01278 662200
